

# Puzzle Party Participants

The basic "cost" for a player during team formation is **6 + (the number of trophies)**. Trophies from previous Puzzle Party wins are listed below (please let Eric know of any inaccuracies). If a player is not on the list below, then he/she is a "newbie" and simply has a cost of 5. Finally, if the player does not live in the Auburn/Opelika area, then his/her cost is reduced by 1. **For the Puzzle Marathon II (10-11 April 2010) the total cost of your team members may not exceed 50 points.**
