

# SURVEY

This is not a puzzle; it is a survey that will simply satisfy my curiosity. As a team please fill out this survey by ranking each puzzle both on how much you enjoyed it and how hard you thought it was (with a "5" meaning a puzzle was very much enjoyed or deemed very difficult). You may rate the puzzles at anytime -- immediately after you complete them or at the end of the day while I am doing final grading). I will collect the surveys right before an overall winner of the Puzzle Party is announced. Your team does not need to complete a survey if it does not wish to do so. Each team only gets one survey, so for each puzzle please try to assimilate into one ranking the opinions of everyone who worked on that particular challenge.
